

Technology Excellence Award!!

Dear Pricolians,

We are proud to share that Pricol Limited has been awarded the **“Best Interactive Product (Automotive)”** in the **“Technology Excellence Awards, 2022”** conducted by Quantic India, Business Media Company on Friday, 14th October.

This award is presented to Pricol, for our continuous efforts towards setting the bar high in terms of product and process technology in the automotive industry. The award is also a quintessence of product excellence and the company’s commitment towards operating with a philosophy that guarantees tech-driven product and services that are reliable, safe and efficient.

We whole-heartedly appreciate and dedicate this award for all the hands & hearts involved in this process for their remarkable efforts. This would be truly a splendid and a winning moment for the entire Pricol Family. Once again our heartiest congratulations on achieving this milestone!

Best Wishes & Regards,

Shyam Sundar R
Head – Human Resources
